

Why become a sponsor?

Throughout the year, Charleston Black Pride has helped over 10,000 LGBTQ+ people of color in various entities throughout the lowcountry. We have provided social, cultural, educational, mental, and physical support to our supporters as well as events. We continue to volunteer and work tirelessly, and financially to meet the needs of our supporters as well as to provide safe spaces. Your donation is very vital to our organization and it helps us to show our community that representation matters.
